Conceptual revisioning from the Global South

Thursday, 18 June 2020 10:00 (1h 30m)

These papers offer alternative ways of seeing common practices in IR by drawing on perspectives from either 'the Global South' or 'the subaltern'. These papers uncover how actors in the Global South are revising and reimagining practices such as statehood, nationalism, humanitarianism, drone warfare and sovereignty.

Track Classification: Colonial, Postcolonial and Decolonial Working Group
