Dealing with Far-Right Extremism

Friday, 19 June 2020 12:00 (1h 30m)

This panel creates the space for a much-needed open, honest, critical, and ethical debate around dealing with far-right violence. It aims to contribute to the current debates and potential efforts to deal and counter the phenomena of far-right violence in a period when the rise of right-wing populism is being witnessed across the globe. Against this backdrop, the violent radicalisation and extremism of individuals and groups belonging to the extreme right threaten to undermine and destabilize societies and democratic orders, leaving a research gap that has only started to be filled in recent years, but that is still quite wide when it comes to counter-terrorism approaches to far-right violence.
