Evolving Protection Architectures at the United Nations

Thursday, 18 June 2020 15:00 (1h 30m)

This IR2PWG Panel focuses on evolving protection architectures at the United Nations with a special focus on R2P and humanitarian intervention both as instruments and norms. It focuses on the futures of the Responsibility to Protect as well as practices under the United Nations Security Council and General Assembly. Moreover, it reflects on the role of progress, transparency and norm entrepreneurship.

Track Classification: Intervention and Responsibility to Protect Working Group
