Human Rights and Security in African International Relations

Thursday, June 16, 2022 3:00 PM (1h 30m)

This papers on this panel present detailed empirical research into human rights (international women's rights in Ethiopia), security (global counter-terrorism and the reintegration of repentant terrorists in Nigeria) and areas where the two collide (the African Union and mass atrocity in the Anglophone-Cameroun Crisis; Citizens' Perceptions of Chadian Military Intervention in Mali; precarious citizenship in the unrecognised states of Puntland and Somaliland).
