Identity, Security, Climate and the Nation

Thursday, 16 June 2022 15:00 (1h 30m)

This panel discusses challenges of governance, decentralisation, identity and exclusion and how this also might impact on climate strategies in countries of the Middle East and Asia. It explores gendered security narratives, the rise of far right groups and geopolitical developments including on economic and energy relations in the region.

Track Classification: International Studies of the Mediterranean, Middle East & Asia Working Group
