Community, solidarity, and diversity

Wednesday, 21 June 2023 13:15 (1h 30m)

Circulating around disenfranchisement, marginalisation and other ‘injustices,’ this panel addresses responses built on solidarity, resistance as well as more fundamental considerations around pacifism and non-violence. Perspectives draw heavily on lived experiences of left behind and alienated communities both within subnational and transnational contexts across India, Palestine, Northern Ireland and Kurdistan.

Track Classification: Political Violence, Conflict and Transnational Activism
