China at the crossroads: Approaches to regional and domestic bargaining powers

Wednesday, 5 June 2024 13:15 (1h 30m)

The panel presents a comprehensive discussion on Chinese policy-making concerning its regional and internal mechanisms in bargaining power. Do the Chinese strategies transform into new and alternative power instruments to re-consolidate power? The papers delve into geopolitical and domestic calculations of the Chinese states in response to the posed question.
