## **Critical spaces: engaging with Queer, feminist and postcolonial IR**

*Friday, 7 June 2024 09:00 (1h 30m)*

An increasing number of scholars reject the epistemic and ontological foundations of orthodox IR, and, in so doing asking for epistemic and ontological plurality in a fashion sensitive to queer, postcolonial and feminist insights and knowledges. There is also emphasis on studying the everydayness of IR through an intersectional lens. This panel brings together a range of papers dedicated to such plurality, offering insigh
