The role of institutional actors towards refugee policies

Friday, 7 June 2024 10:45 (1h 30m)

This panel brings together papers that focus on the role of institutions on global, regional and country specific governance of migrants and refugees. It addresses WHO's position towards refugee women, and their access to healthcare facilities, it questions the position of governments and their policy proposals within the UN regarding refugee flows, it unpacks the role of the Arab League in Syrian refugee repatriation and looks into the transformation of global refugee governance through transorganisational partnerships.
