Security policy & practice: lessons from the Good Friday agreement

Friday, 20 June 2025 09:00 (1h 30m)

A quarter century after the Good Friday Agreement, this panel asks: what can be learnt from the process of ending the conflict and consolidating peace in Northern Ireland about how security policy and practice can support peacemaking? And what further dialogue and reform is still needed to consolidate a peaceful future in this region?

Suggested convenor: Larry Attree (Rethinking Security/BISA SPP co-convenor)

Track Classification: Security Policy and Practice
