## Military encounters I: sites and spaces of CMS

*Wednesday, 18 June 2025 09:00 (1h 30m)*

This panel is the first of two exploring diverse, messy and complex military encounters. Centring on the sites and spaces of Critical Military Studies, it provokes thinking on where military encounters take shape, how they are/become embodied, and what bodies they entangle with(in) them.

**Track Classification:** Critical Military Studies Working Group
