## **IPS@20: Positioning International Political Sociology in Challenging Times**

*Wednesday 3 June 2026 15:00 (1h 30m)*

This roundtable features authors who have contributed to the International Political Sociology 20th Anniversary Special Issue. The roundtable will explore the implications the Anthropocene, the discipline, and the far right on the international, the political, and the sociological in the present and into the future. The roundtable will be conducted in a “Question Time” format.

**Track Classification:** Critical Alternatives for World Politics
