Gender and Russia's War Against Ukraine

Thursday 4 June 2026 15:00 (1h 30m)

This panel explores a range of gendered issues and actions related to Russia's war against Ukraine, including gendered practices by Ukrainian women refugees, masculinity and Ukrainian men who refuse to fight, embodied protest acts of anti-war resistance by Russian women and gendered discourses of youth militarisation in Russia

Track Classification: East Europe and Eurasian Security Working Group
