## Russia's Offensive War Against Ukraine

*Friday 5 June 2026 09:00 (1h 30m)*

This panel explores Russia's offensive war against Ukraine through the lenses of civil resistance, elite discourse, identity politics, and hybrid warfare. The papers trace how Ukrainian society mobilizes resources, how Russian leaders frame aggression, and how conflict narratives shape diplomatic efforts and military strategy. Together they offer a clear view of the political, social, and strategic dynamics driving the war and its broader implications.
